EVENTS & WEDDINGS
2021

“THIS IS THE PLACE”

Pioneertown is a destination unlike any other.

Welcome to Pioneertown. This desert is the grandpa of the wild American West, the birthplace of the California mystique, and a destination for those seeking visions and beauty.

Originally built in 1946 by a group of cowboy actors and producers, the Motel has always had a spirit of celebration and revelry. In the past couple of years, we've been working on the property to create spaces for guests to host events and make memories with friends and family. We recently built a secluded amphitheatre on our back lot, surrounded by desert trees and perfectly situated for views of mountain tops and pastel sunsets. We've also converted room 1 into a Motel lounge which we call the Canteen. It's a great spot to have a small party, or a good home base for a larger event. Our barn is a super cute and rustic space for a variety of events. We host weddings, retreats, and birthdays, but we've also had movies, live music, and even small festivals so we are open to larger scale and creative ideas.

Lastly, if you take a stroll down Mane Street to the Red Dog Saloon, you'll see our latest dream in the making. Built as an integral part of the film set, the Saloon has an unimaginably rich history to restore and celebrate. Aside from being able to enjoy a fresh mezcal margarita, highly curated desert tunes, and delicious Mexican food from breakfast till late night, the Red Dog will be the primary caterer for events at the Motel. We will also have a small back room available for private parties.

Event Spaces at the Pioneertown Motel

THE AMPHITHEATRE

Located in a secluded gully surrounded by desert landscape behind the motel, we recently completed our amphitheater. Dramatic views east of the desert and mountains make for a beautiful backdrop to any wedding ceremony. In true Pioneertown fashion, we use hay bales for seating of up to 150.

THE BARN

We keep it simple with a rustic vibe and dusty floors. Our barn is great for birthday parties, wedding parties, any really any kind of party. Space heaters, custom picnic tables, and classic carnival lighting set the tone for any kind of event.

THE CANTEEN

What used to be room number 1 is now our Canteen, a 300 square foot space where guests gather for coffee, board games, and a place to hang and meet friends. This space is often used as a home base or welcome zone for buyouts.

CREATE YOUR OWN

Our property totals nearly 5 acres (if you look out back across Rawhide Road, that's ours too). We've had clients build and produce from scratch flea markets, concerts, stargazing parties, dinner parties, and weddings using their imagination and our plethora of open space.

Here's everything you need to know about booking and producing your event here. If you have any questions, let us know at events@pioneertown-motel.com.

WEDDING BUYOUTS

While the demand for weekend wedding buyouts is incredibly high throughout the year, we only offer a select number of buyouts opportunities so we suggest planning ahead.

Weekend weddings require a full buyout of the property for both Friday and Saturday nights which offers exclusive access to the entire property and all of the event spaces.

The cost of a buyout is the cost of the rooms plus a buyout fee that ranges from \$5,000-\$7,500 depending on the season.

We do require a buyout fee even for weddings that hold their ceremony off site.

Lastly, we require a professional wedding planner.

INSURANCE

A certificate of Insurance for \$ 1m is required for any vendor on property.

PHOTO SHOOTS, RETREATS, AND OTHER EVENTS

Pricing for photo shoots, retreats, and other events vary. Please email us at events@pioneertown-motel.com with a description of your needs and preferred dates and times.

PHOTO SHOOT/ FILMING RESTRICTIONS & REQUIREMENTS

All photoshoots/filming (both on or off site) must pay a refundable security deposit as well as email the details of the shoot to the property 5 days in advance. Site fees apply to all photo shoots of the Pioneertown Motel, Red Cabin, and the Red Dog Saloon and the Canteen can be arranged for rent to use as a common space. For photo shoot inquiries of Pappy and Harriet's or Mane Street, please contact those venues directly.

NOISE ORDINANCE

While it may seem like the wild west, we are actually surrounded by many local residences and businesses. We love an all night party, but in order to keep our neighbors happy, we strictly enforce the San Bernardino County noise ordinance which allows for 55 decibels of sound from 7am-10pm and 45 decibels overnight which really isn't that loud. If you're looking for more of a party, the Red Dog is a great option to cut loose.

Here's everything you need to know about booking and producing your event here. If you have any questions, let us know at events@pioneertown-motel.com.
